INSIDE MAC GAMES REVIEW

18/09/01

Rated 8.25: "...This game is a well-rounded third person adventure title that can easily be enjoyed by a gamer unfamiliar with Star Trek as well as someone who has followed Deep Space 9 in all of its incarnations."

EUROGAMER REVIEW

12/18/00

Rated 9/10 : "...Playing through the game once is a pleasure in itself, but having the added bonus of two more characters to complete the game with gives astounding value for money. A solid storyline backed by hauntingly good graphics and sound, with entertaining combat and weaponry make this a hard game to put down. "

GAMEPOWER REVIEW

12/14/00

Rated 3.5/4 : "...Sound exciting? Powered by a heavily modified version of the Unreal engine and apparently massaged with loving care for the past two years, it really is. "

GAMES DOMAIN 2nd OPINION

12/12/00

"...The Fallen is a surprisingly enjoyable romp that anyone can play but Trekkies will love. Buy this for your loved one this Christmas. If they don't like Star Trek, just pretend you thought they did and then play it yourself. It's well worth it."

Rated 90% (Golden Heart Award) : "...Next time I pick up a 3rd person action game I'm not going to be able to play it without measuring it to some extent to this title. If you are a Trek fan and haven't picked up this game yet, I don't know what is stopping you. It's an all around feast for your eyes, ears, and gaming appetite."

GAMES EXTREME REVIEW

12/09/00

82% : "...The Fallen brings a little to what's already out there and then uses the Star Trek license to its fullest. The characters, storyline, sounds and events blend all so well together creating an atmospheric and very easy to play game."

COMPUTER GAMES ONLINE REVIEW

12/04/00

Rated 4/5 : "...The Fallen's mix of detailed environments, discrete sound effects, and television show-quality score provides ample atmosphere that fans of the show should find appealing."

STOPMED REVIEW

12/01/00

Rated 87% : "...The Fallen opens up the gameplay to go on planets like Bajor and other places where the UT engine can create some stunning planetscapes. One planet in particular, where Sisko checks out a crashed Federation starship, is truly amazing. The game also recreates familiar DS9 settings like Ops, the promenade, and the Defiant, very well. "

SCI-FI GAMING REVIEW

11/29/00

Rated 8/10 : "...all in all, The Fallen is definitely a hit contender for the winter season, and makes a great stocking stuffer. If you're looking for a Trek game to get with a great single player feature that will offer a long playability value, then this is definately the one that you should keep your eye out for."

THREE GAMES IN ONE

The Fallen utilizes a revolutionary multiple-character system giving you three unique and compelling single-player experiences, as either Captain Sisko, Major Kira, or Lt. Commander Worf.

- Coordinating as a team, Sisko, Kira and Worf fulfill different objectives within every mission.
- Experience special missions unique to each character.
- Master each character's unique weapon of choice - including Worf's Klingon "Sword of Honor", the Bat'leth.
- Unravel the complex mystery of the Red Orbs from three different character perspectives.

ADRENALIZED THIRD-PERSON GAMING

Battle your way through knuckle-whitening missions that demand brute strength, stealth, dexterity, team communication and a broad assortment of weapons and gadgets.

- Engage the galaxy's most aggressive races- including the Cardassians, Jem'Hadar, and an all-new race of bio-analogous creatures known as the Grigari.

- Defend yourself with more than 10 new weapons- Starfleet, Cardassian, Dominion, Bajoran, Klingon, and beyond- all with multiple firing modes.

ADVANCED TECHNOLOGY

Energized by an enhanced version of the revolutionary Unreal Tournament engine, The Fallen places the player at the heart of an exhilarating 3D adventure.

A sophisticated camera system takes third-person perspective gaming to a higher plane, whether in close quarters or wide-open expanses.

A custom-designed inverse kinematics and bones animation system provides fluid character movements and ambulatory dexterity, while a revolutionary facial animation system enables real-time lip-synching and heightened dramatic interaction between characters.

EXPLORE THE DEEP SPACE NINE UNIVERSE

The Fallen stunningly recreates familiar locations within Deep Space Nine and the U.S.S. Defiant, as well as a wide variety of unique new locations - including a Bajoran monastery, a secret Cardassian military base, a hostile alien jungle and a Jem'Hadar internment camp.

STORY LINE

< BACK HOME

THE FALLEN

The Pah-wraiths - a race of exiled, all-powerful aliens - are on the verge of returning. The keys to unleashing and harnessing their power are three archaic Red Orbs.

The race to find the Orbs is on between you - playing as either Captain Sisko, Major Kira, or Lt. Commander Worf - and a host of opposing forces that would use the ultimate power to dominate the Alpha Quadrant and all of its inhabitants.

THE MILLENNIUM SAGA

The Fallen ties into the **MILLENNIUM** saga, a trilogy of paperbacks and audio books by **Judith and Garfield Reeves-Stevens**, published by Pocket Books and Simon & Schuster Audio. The story represents an untold chapter of Deep Space Nine, set towards the end of the 6th season.

F.A.Q.

GENERAL QUESTIONS

GAME QUESTIONS

SYSTEM REQUIREMENTS

< BACK HOME

WHAT IS THE FALLEN?

A genre-defining 3rd person action/adventure set in the DS9 universe. Playing as Sisko, Kira, or Worf, you must race against time to find the ancient Red Orbs that hold the key to the Final Reckoning- and the destruction of the universe.

WHICH ENGINE IS THE FALLEN USING?

An enhanced version of the Unreal Tournament engine.

WHAT ADDITIONS HAVE YOU MADE TO THE UT CORE?

1. Advanced 3rd person camera system
2. Leading-edge inverse kinematics and skeletal animation system.
3. Superior real-time facial animation with automated phoneme recognition.
4. Enhanced particle rendering.
5. Several outstanding FX modes.
6. Real-time cinematics system

WHY DID YOU USE THE UNREAL TECHNOLOGY?

The decision was made by our publisher in order to accelerate the development.

WILL THE FALLEN BE PLAYABLE ON A MAC?

Yes - absolutely. The Mac version is currently in development and expected to ship in late December 2000.

HOW LONG HAS THE GAME BEEN IN DEVELOPMENT?

The game was in development from December 1998 to November 2000 - so about 23 months.

WILL IT RUN WITH OPENGL AND/OR D3D?

Absolutely, the OpenGL and Direct3D support is excellent, as well as 3dfx/Glide.

WILL IT SUPPORT 3D SOUND?

Yes, the game supports A3D (1 & 2), EAX (1 & 2) , QSound and DirectSound3D.

WHAT'S THE MINIMUM SPEC?

See the System Requirements FAQ section

IS THERE GOING TO BE A DEMO? WHEN?

Yes. We released a demo based on the full retail PC version on 12/08/00. You can download it [here](#).

WHY DID YOU DECIDE TO DO A STAR TREK GAME?

A number of us (including the company owners) are Trek fans. However, most importantly, we saw it as a great vehicle for a fun 3rd person action adventure.

IS THE GAME COMPLETE?

The English-language PC version of the game was completed and sent to manufacturing on 11/13/00. It is presently available from normal retail outlets in North America and most of Europe. Localized versions of The Fallen are also available for Germany, France, Spain and other countries to be announce by **Simon & Schuster Interactive**.

The English-language Macintosh version of The Fallen was completed and sent to manufacturing in the USA on 07/23/01. Localized versions of Macintosh version will also be made available for Germany, France, Spain and other countries to be announce by **Simon & Schuster Interactive**.

GAMELOFT UK REVIEW

11/29/00

"...The visual effects in this game are nothing short of spectacular, with all manner of cool lighting effects from weapons and instrument panels, and the reflective surfaces are perfect, exactly mirroring what is happening."

GAMEPLEX REVIEW (GERMAN)

11/28/00

Rated 88% : „The Fallen hat mich wirklich vom Gameplay und der Story her überzeugt. Die detaillierte Spielarchitektur und ausgeklügelte Lichttechnik erzeugen richtige Filmatmosphäre und man gelangt in Umgebungen, die man noch in keiner Star Trek – Folge oder einem Film gesehen hat.“

GAMESPOT REVIEW

11/28/00

"...if you're looking to immerse yourself in a finely honed Star Trek gameworld - or if you just like plenty of action - then The Fallen is definitely worth checking out."

COMPUTER GAMES ONLINE INTERVIEW

11/28/00

"...We had a chance to pose some questions to the design team at The Collective, which developed the game. We asked Lead Designer Tony Barnes and Vice President for Development Gary Priest to give us their thoughts on the game."

"...The legions of loyal Star Trek fans are going to have plenty to drool over in this game (particularly having the opportunity to explore the DS9 station and the U.S.S. Defiant in 3D), but you don't have to own a pair of prosthetic pointed ears and a Starfleet uniform to enjoy the excellent gameplay."

GAMERAIDER REVIEW

11/27/00

Rated 88% : "...Trekkies have a lot to be excited about, as The Fallen is a cool game that offers a unique experience."

**GAMESPY REVIEW**

11/27/00

Rated 82% : "...the animation throughout the game is exceptional. Watching characters walk up and down stairs, or climb ladders, and even getting up from a fall, is very natural. There is a natural fluid movement to characters in almost everything they do. ..."

**DAILY RADAR REVIEW**

11/22/00

Rated "HIT": "...the production values throughout The Fallen are first-rate. The sound effects are right out of the show, and the music is spectacular, deep and eerie." Also check out the user reviews link at the bottom of the page.

**STARTREK.COM INTERVIEW**

11/21/00

"STARTREK.COM had the opportunity to ask Tony Barnes (Lead Designer on "The Fallen") and Douglas Hare (Vice President Production, Collective Studios) some questions about the highly anticipated game."

**MACGAMER INTERVIEW**

11/21/00

"...I was absolutely blown away. While I have not yet seen the completed Mac version, what I saw in the version I was playing could possibly be everyone's choice for Game Of The Year. It's that good."

**GAMESPOT UK INTERVIEW**

10/16/00

"**The Collective's** Doug Hare beams down for a chat." - Exclusive interview and screenshots.

IGN PREVIEW

10/12/00

"...the game's been a long time coming and now that it's finally getting close to release, we're getting more and more anxious to see how the final product stacks up against the competition. The Fallen has definitely got both the license and the technology that it takes to make a success. "

GAMESPOT PREVIEW

10/13/00

"...Star Trek fans will enjoy the game's faithful re-creation of the Deep Space Nine TV show, action gamers will undoubtedly fawn over The Fallen's selection of weapons and countless firefights, and more casual players should be attracted by the game's intuitive interface and ease of control."

GAMELOFT UK INTERVIEW

10/10/00

"After playing the demo of DS9 : The Fallen, we were just itching to know more about this game, and as I am a self confessed trekkie I was itching more than most. So in an attempt to kerb my insatiable thirst for knowledge about all thing Trek, I asked the following questions to Douglas Hare of The Collective"

GAMESPOT TV INTERVIEW MICHAEL DORN

10/08/00

"GameSpot TV caught up with Star Trek's Michael Dorn (a.k.a Worf) to ask him about his role in videogames, specifically the latest Star Trek: Deep Space 9: The Fallen"

STOMPED INTERVIEWS

10/06/00

They chat with **The Collective's** lead artist on the game, Dan Mycka. They also have an interview with **Lead Designer Tony Barnes**.

GAMECENTER PREVIEW

09/27/00

"...after Simon & Schuster swung by the GC offices on Tuesday to show us the latest progress on The Fallen, we came away with the feeling that The Fallen may be the first action game yet that's really true to the entire Star Trek franchise."

GAMESPOT UK PLAY TEST

09/14/00

"...The Fallen could well become a real contender in the next generation (if you'll forgive the pun) of Star Trek games. "

ADRENALINE VAULT CHAT SESSION

09/14/00

Log of the public chat session hosted by the Adrenaline Vault with **The Collective** on 09/09/00

GAMES DOMAIN DEMO REVIEW

09/14/00

"Star Trek fans are going to have plenty to drool over in this game (did I mention the Defiant?) but, whether you're a consummate Trek aficionado or you wouldn't know a Tribble from a Ferengi, this should be a unique and enjoyable game, and worth looking out for. "

EUROGAMER PREVIEW

08/28/00

"...this should be a Trek game that you won't have to be a Trekkie to love, and we're looking forward to getting our hands on the final review code..."

3DACTION PLANET INTERVIEW

08/23/00

Thrrrpptt! interviews Douglas Hare, Gary Priest, Richard Hare, Tony Barnes and Dan Mycka of **The Collective**.

PLANETUNREAL INTERVIEW

08/15/00

"...I have been lucky enough to grab the guys at the Collective and throw a few questions their way recently. I was even luckier to get replies from them ."

INTELGAMER DEMO REVIEW

08/15/00

"...I think Star Trek: Deep Space Nine - The Fallen could be in the running for a Game of the Year title."

UNREALENGINE DEMO REVIEW

08/04/00

"...the wonderful scenery, the attention to detail (just look at the Jem'Hadar skins!), and best of all: it's fun! I'm looking forward to the final product and playing all night long."

3DACTION PLANET DEMO REVIEW

08/02/00

"The Fallen can be more than a match for Star Trek Voyager - Elite Force. In fact, as far as demos go, The Fallen impressed me far more than its big-named cousin. "

PLANET UNREAL DEMO REVIEW

07/31/00

"This is one game that I'll be waiting to hit the shelves"

FANDOM.COM INTERVIEW

07/19/00

"A new DS9 game, and it's gorgeous!" - An interview with Ken Gordon (Executive Producer at **Simon & Schuster Interactive**) and Tony Barnes (Lead Designer at **The Collective**)

3D ACTION PLANET FIRST LOOK

05/31/00

"It's Star Trek, but Different"

GAMES WEEKLY PREVIEW

05/19/00

"It looks simply beautiful..."

UNREALISM E3 REPORT

05/18/00

"The game was receiving good feedback from both Trekkies and non-Trekkies alike, so it looks like the game will appeal to both parties."

GAMES SPOT PREVIEW

03/30/00

A detailed look at The Fallen as part of their "Star Trek" week roundup of upcoming Star Trek games.

GLIDE UNDERGROUND INTERVIEW 03/03/00

Interview with Peter Binazeski, Publicity director at Simon & Schuster. He answers to a few questions about the upcoming game Deep Space Nine: The Fallen.

THE OMEGA PROJECT CHAT SESSION

THE FINAL FRONTIER

The Cardassians who built it called it Terok Nor, but we know it by its Starfleet designation:

DEEP SPACE NINE

Situated at the mouth of the Bajoran wormhole, it guards the gateway to the Gamma Quadrant, home of the dreaded Dominion.

A mysterious alien species resides in the wormhole. The Bajorans refer to them as the Prophets, and worship them as gods - the wormhole is their Celestial Temple. The Prophets can see into the future as well as they can see into the past, for both are the same to them. They are extraordinarily powerful - and they're not the only ones of their kind.

An ancient Bajoran legend tells of another race of wormhole aliens - the Pah-wraiths - that were cast out of the Celestial Temple by the Prophets. Three Red Orbs are said to hold the key to their resurrection and restoration to power - but none had ever been found...

...until now.

An obscure cult has emerged, worshipping these fallen prophets - the True Prophets, they say. And their mysterious leader has discovered a Red Orb. The Cult of the Pah-wraiths believes that bringing together the three lost Red Orbs will free the Pah-wraiths from their eternal incarceration, triggering the Final Reckoning with the Prophets.

And so the race is on to find the Red Orbs. To the winner go the spoils of what may be the most awesome power ever unleashed...power to create a new, Golden Age - or to trigger Armageddon.

For seven years, we've witnessed the adventures of Captain Benjamin Sisko and his officers. We've shared in their triumphs - and their tragedies. But now, perhaps their greatest adventure awaits - one in which the very survival of the universe hangs in the balance.

The Millennium saga begins with:

US AND EUROPEAN RETAIL PATCH (33.25MB)

Updates all current English-language retail versions of The Fallen. The patch will only work on Full installations of The Fallen, not Minumum installations. Full details of the issues addressed by the patch are [here](#).

To confirm if you need to install the patch open the Help file installed with The Fallen from Start Menu/Programs/Deep Space Nine-The Fallen/Help.

The very last line shows the current build - If the build is "Build110800-d-US" or "Build110800-d-EU-sr" then you need to install the patch.

Download the .ZIP file, extract the .EXE file to a convenient location and run it on your system.

NOTE: Your original The Fallen CD may be required during the update procedure.

(This patch should not be used for any demo versions of The Fallen)

ENGLISH MINI CODE PATCH (1.9MB)

In addition to the main retail patch we have also issued a smaller code-only patch that deals with some specific technical issues. See the [Support](#) page for details. **This patch is specifically for English-language versions of The Fallen. Do not install it with any other language version of The Fallen.**

F.A.Q.

[GENERAL QUESTIONS](#)

[GAME QUESTIONS](#)

[SYSTEM REQUIREMENTS](#)

[< BACK](#) [HOME](#)

WHO IS THE CHARACTER THAT I PLAY IN THE GAME?

At the outset of the game you can choose to play as Sisko, Worf, or Kira.

WHAT'S DIFFERENT PLAYING AS THE 3 CHARACTERS?

1. They fulfill different objectives within each mission appropriate to their character.
2. Each character has a number of completely unique missions/levels that they must complete.
3. Their default weapon of choice is different. Sisko uses a Starfleet standard issue phaser... Kira uses a modified Bajoran phaser (it's highly accurate and packs a punch)... and Worf uses the Bat'leth- the two-handed Klingon sword of honor.

HOW MANY MISSIONS ARE THERE?

There are 9 missions per character with an average of 3 maps per mission. Although many of the missions take place at the same location each character takes a different path through the levels throughout the adventure.

WHICH AREAS OF DS9 CAN THE PLAYER EXPLORE?

1. Ops.	3. Sections of the docking rings.
2. The Promenade	4. Hitherto unseen sections of the pylons and ore processing facilities

IS THE DEFIANT IN THE GAME?

OTHERS

Absolutely. Sisko, Kira, and Worf each have a unique mission set inside the Defiant. The design team has virtually modeled the entire Defiant based upon the floor plans within the DS9: Technical Manual- including many of the areas that were never seen within the show.

HOW MANY WEAPONS ARE THERE?

There are 11 weapons that the player can use, each with their own secondary-firing mode.

WHAT ARE THE WEAPONS?

1. Federation Type-2 Phaser	7. Federation Grenade Launcher
2. Bajoran Phaser	8. Dominion Shock Blade
3. Klingon Bat'leth	9. Dominion Polaron Pulse Rifle
4. Federation Type-3A Phaser Rifle	10. Grigari Plasma Thrower
5. Cardassian Disruptor	11. Grigari EM Pulse Cannon
6. Photon Mines	

WHAT'S THE STORY?

The Pah-wraiths - a race of exiled, all-powerful aliens - are on the verge of returning. The keys to unleashing and harnessing their power are three archaic Red Orbs. The race to find the Orbs is on between you - playing as Captain Sisko, Major Kira, or Lt. Commander Worf - and a host of opposing forces that would use the ultimate power to dominate the Alpha Quadrant and all of its inhabitants.

WHO WROTE THE STORY?

Much of the game's story and mission progression was written by the Collective's design team. However, The Fallen ties into the **MILLENNIUM** saga, a trilogy of paperbacks and audio books by **Judith and Garfield Reeves-Stevens**, published by Pocket Books and Simon & Schuster Audio.

WHEN IS THE STORY IN THE DS9 TIMELINE?

The story represents an untold chapter of Deep Space Nine, set towards the end of the 6th season.

WHICH SHOW CHARACTERS ARE IN THE GAME?

Pretty much all of them:

1. Sisko, Worf, and Kira (of course)	8. Gul Dukat
2. O'Brien	9. Kai Winn
3. Bashir	10. Admiral Ross
4. Jadzia Dax	11. Nog
5. Odo	12. Rom
6. Quark	13. Leeta
7. Garak	14. ... and Morn!

DO YOU USE THE VOICES OF THE REAL ACTORS?

The following actors from the series have lent their voices to The Fallen:

1. Michael Dorn as "Worf"	5. Armin Shimerman as "Quark"
2. Nana Visitor as "Kira"	6. Andrew Robinson as "Garak"
3. Alexander Siddig as "Bashir"	7. Terry Farrell as "Jadzia Dax"
4. Rene Auberjonois as "Odo"	

Two very talented voice-actors have provided voices for the part of O'Brien and Sisko. (*NOTE: These voices are contractually "interpretations of the characters" and not "imitations of the voices".*)

1. Kevin Richardson as "Voice of Sisko"	2. Michael Gough as "Voice of O'brien"

ARE THE BORG IN IT?

No. However, we have introduced a race of bio-analogous marauders, known as the Grigari. As a race, the Grigari are sociopathic scavengers and pirates, obtaining items and knowledge from one culture to trade with another, doing whatever needs to be done to close a deal - from trading fairly to mass murder.

ARE THE DOMINION IN IT?

Yes. The player will have to combat the following:

1. Jem'Hadar Soldier	4. Vorta Male/Female (Treacherous creatures)
2. Jem'Hadar First	5. A Founder/Shape-shifter infiltrator
3. Jem'Hadar Heavy Assault (A new class)	

IS THERE MULTIPLAYER?

Our primary goal was to focus on the single-player experience. Therefore the released version of the game has no multiplayer features. At present we do not intend to add a multiplayer component as an add-on.

WHY 3RD PERSON?

Several reasons:

1. We wanted the player to see their cool character on screen- who cares if you're playing Worf if you only get to see his hand?
2. Also, we wanted to play up the navigational challenge in the game- grabbing hold of ledges, shimmying across, crawling through vents, etc. 3rd person is the best perspective for this.
3. We wanted to simulate the look of the show- first person is seldom used in television/film.

WILL THERE BE HAND-TO-HAND/MELEE COMBAT?

Yes there is hand-to-hand/melee combat. In particular, Worf's Bat'leth is a lot of fun!

WHICH RACES ARE IN THE GAME?

1. Bajorans	5. Founders
2. Klingons	6. Jem'Hadar
3. Cardassians	7. Grigari
4. Vorta	

WHAT PARAMOUNT REFERENCE MATERIAL DID YOU USE ?

1. Lots of videos!	4. Reference books
2. Piles of photographs and photo CDs.	5. Some fun toys!
3. Scripts.	

HOW WILL THE TRICORDER BE UTILIZED IN THE GAME?

1. Proximity map for life forms and other significant entities.
2. Scanning tool provides information on life forms, etc.- including critical data for compromising force fields.
3. Guidance system points to direction of key areas/objectives.

WEAPONS
OTHERS**E3 VIDEO ADDED** 9:00 AM, 08/04/00

We have added the video trailer shown on the **Simon & Schuster** stand at E3 to the **Video Downloads** section. The video has a mixture of live footage from the show and in-game action.

**SUPPORT PAGES ADDED** 9:00 AM, 08/03/00

We have added support pages for issues raised by the recent PC Gamer demo release. **Update:** We have posted a patch that fixes the performance problems some people have experienced.

**PC GAMER DEMO RELEASED** 9:00 AM, 08/02/00

The Fallen demo was officially published on the cover of the September edition of PC Gamer. **Update:** It can also now be downloaded from DailyRadar. Make sure to get the **demo patch** from our **support site** too.

**NEW PRESS LINKS ADDED** 9:00 AM, 08/02/00

Links to new demo reviews, interviews and previews of The Fallen have been added to the Press section.

**THE MESSAGE BOARD IS LIVE** 11:00 AM, 07/14/00

The Fallen message board is up and running.

**NEW SITE FEATURES ADDED** 9:00 AM, 07/14/00

We have now completed the FAQ section, including general info, game info and system requirements. We have also added the Locations section data, with new screenshots of the levels, and the Other Equipment section, including screenshots of the Tricorder in action.

THE FALLEN ROCKS E3 10:00 AM, 05/15/00

The Fallen was demonstrated to crowds of excited gamers and Trek fans at E3. DS9 actress Nana Visitor signed autographs and took time out to play the game - playing as Kira, of course! Check out our [E3 photo album](#).

MAJOR KIRA BEAMS DOWN TO E3 10:00 AM, 05/10/00

The Fallen will be rocking the Simon & Schuster booth (Stand 2300) at the Electronic Entertainment Expo (E3) held between May 11-13 at the Los Angeles Convention Center.

Deep Space Nine actress Nana Visitor (Major Kira Nerys) will be signing autographs at the booth on Friday, May 12, from 1:30 to 2:30 PM PST.

THE FALLEN TRAILER IS RELEASED 9:30 AM, 05/10/00

The Fallen trailer has been released and can be downloaded from our [Video Downloads](#) section.

THE FALLEN WEB SITE GOES LIVE 9:00 AM, 05/10/00

Simon & Schuster and **The Collective** launch the official site for their upcoming Deep Space Nine - The Fallen game.

Planned upgrades include a message board and regularly updated screenshots over the next few weeks.
